

Candidate Identification Strategies

Sources for Physician Recruitment

- Buprenorphine prescriber database (SAMHSA)
- <http://www.samhsa.gov/medication-assisted-treatment/physician-program-data/treatment-physician-locator>
- Cross reference SAMHSA data with DEA database (has all the names of physicians who have applied for & received the waiver)
- Physicians and psychiatrists already on staff
- Physicians working in another addiction sub-specialty (alcohol, tobacco etc.)
- Specialty care providers who interact with possible drug using patients
- HIV doctors, pediatricians, hematologists etc.
- Physicians affiliated with VA hospitals
- Physicians attached to methadone treatment providers
- Obstetrics/Gynecology
- Family medicine physicians
- Pain physicians
- Emergency department physicians (may be good source to connect to other potentially interested physicians in a community)
- Anyone board-certified in addiction medicine or addiction psychiatry
