Frequently Asked Questions

1. What is the ACTION Campaign II?

ACTION Campaign II is a NIATx initiative that provides quick and effective solutions to your business problems, keeping the focus on your customers.

2. What do I get for signing up for ACTION Campaign II?

You'll join a national community of your peers committed to improving services. Through the Campaign's online toolkits, tutorial calls, peer networking, monthly electronic newsletter, and promising practices, you'll gain access to a range of tools that can help you achieve organizational efficiencies that build financial strength.

3. Do I have to pay to participate?

No, all Campaign materials and services are free to participants. Funders include the **Substance Abuse and Mental Health Services Administration**, the **Robert Wood Johnson Foundation**, **Magellan Health**, and the **California Endowment**.

4. Who should participate in the campaign?

You should! Any organization, whether new to NIATx or experienced in making the changes NIATx promotes, should join the ACTION Campaign II. The Campaign tools offer information and insights for beginning and advanced participants alike.

5. Can I participate if I am already a NIATx participant?

Yes! We encourage NIATx participants to enroll in the Campaign to share your experiences and serve as role models.
