

Improving Business Practices in Substance Abuse Treatment

ACTION II Campaign: Financial Strength in a Changing World

Learn how to implement quick and effective solutions to business problems. Access free online tool kits, best practices, and learning webinars on business improvement practices, including:

- How to Improve Billing Operations
- Eliminating Excessive Paperwork
- Increasing Patient Referrals
- Developing a Working Relationship with your Local FQHC
- Reducing Client Wait Times

To join ACTION II go to: www.niatx.net

Accelerating Reform Initiative (ARI)

Learn how you can join a payer/provider improvement collaborative designed to:

- Improve Billing and Utilization Review Operations
- Integrate Behavioral and Primary Care Services
- Integrate Patient and Business Management Information Systems

Find out more at www.niatx.net

Next request for proposals: Fall 2010

Support provided by Substance Abuse and Mental Health Services Administration (SAMHSA) and The Robert Wood Johnson Foundation (RWJF)
