Agenda:

1. Project Business

- o Coach Academy-States, Mentor Coaches and New Coaches have been contacted regarding roles and expectations
- o NIATx SI and Success
 1. **How do you know you have been successful?**
 1. NY- Walk-through campaign (105 providers), sent follow-ups to N200 and STAR-SI participants, Follow up with all WT-training PI, OASES staff and providers, CLA- May (State, County, Providers). Coaches- 2 new programs each. CAPs→ group of 12 put together in Feb and ask them to do a walk-through, report findings, interim visit from Chuck, broker programs, expand into deeper PI. Sending out ACII webinars announcements- followup to see service provider agreements with FQHC. Increased people utilizing STAR-QI.
 2. MA- We will have a high percentage of N200 participants attend celebration session, conducting PDSAs in the spring, high percentage of fundamentals (October) participants doing changes, sizeable increase in AC II Participation, licensing, site visits for procurement and contracting- the templates, wording, etc. Watching and implementing Nx to address goals est. in LOC meetings, Conduct 1 in house Change (state level change). ACII- working with regional managers to discuss at regional and LOC meetings. Connect with SAAS, ATTC.
 3. AR- Sonny- developing new RFP, performance based contracting (use providers to determine Perf. Indicators), ROSC, utilize CLA to train providers (providers and state). Utilize coaches to implement new system.

4. IA- Kevin- Pay for performance, 2 objectives, reduced wait time (less than 7 days 1st cont to admission), continuation beyond intake. Use community reinvestment dollars
 5. CO- Marc- developing Performance measures, agreed upon measures and methodology, auto-report templates for data system, benchmarking across state. CLA (2 SSA staff, 30 providers) Marc as a coach- training on NIATx- regional meetings for licensed and purchased services- track for Nx101. Detox providers (social model)- handoffs into treatment pilot, pilot sites will do a presentation on change efforts.
 6. KY- Lou- CLA- count attendees, engaged providers, complete change project. Meeting on Monday for CLA, performance indicators. State change project- how can we integrate MH and SA divisions.
- Follow up on Social Marketing
 1. **How will you partner with your ATTC/and Provider Association in your state to encourage providers to join the ACTION Campaign II?**
 1. KY- going to programmers meeting will meet with SAAS rep. Walk-through campaign
 2. NY- ASAP (prov. Assn) partners for STAR-SI and N200, county structure, ATTC- wait for feedback from the directors to connect. Expansion into prevention and gambling programs, mental health
 3. MA- not really involved in local ATTC so will reach out to them to work together. Mike's emails and phone calls to N200 and Fundamentals session, Ruth will talk to regional managers to LOC and regional meetings. Discuss with director Botticelli about connecting to provider assn.
 4. CO-
 5. IA- look at list of providers- there has been turnover, make new contacts. Provider assn meeting in a couple weeks. monthly newsletter which can highlight successful agencies.
 6. AR- provider assn meeting next week. Assign staff to track involvement
